Foundation Month!

from President Rick Lang

I know you all enjoyed Jay Johnstone, what a kick. Speaking of fun, November is Foundation Month. Sue Montonna is Director, taking over from Pete and Helen. It would sure be great if some of you went with us to the Foundation Dinner, Nov 7th.

What a Car Show! Can't say anymore than already said.Check out the photos. Jack and Ward are improving all the time. Linda continues to power the Special Events. Oktoberfest, night of food and beverage, showing again how much fun we have. Someone reading this wants to do Special Events when she becomes President?

Our 84% Attendance Rate is #1 in the District for a club of 54 members. Thank yourselves for just showing up. Our fellowship depends on it. I continue to encourage the comments shared on my behalf. I'm having fun, are you?

I am inspired by the hope of the youth. My granddaughter Rain thinks it's neat that I am President. It reminds me of how happy Tory's son Bailey was last year when he attended his classroom and handed out Dictionaries. As we enter the Holidays anticipating Peace and Joy also remember "The Future Of Rotary Is In Your Hands", don't let go.

January 1, 2010 DARK

Damon Nicholson . . . in Memorandum

We all remember Damon from the Hotel Laguna as our banquet manager. He was always our advocate whenever there were any issues with our lunches.

Damon started off as our waiter/server in the early 90's and through hard work and devotion, eventually worked his way into a management position. He was also a pretty good photographer and donated some of his works when we had silent auctions during the old "cash bash" days. For over 15 years, he supported our club in a variety of ways.

It is with great sadness to have to acknowledge his tragic death at the hand of another. I'm glad to have been able to say "thanks" to him before we left the Hotel Laguna - he was sad to see us leave. I hope everyone else will be able to also say "thanks" in their own way. Damon was a good friend to our club, we will miss him. *-ed*
