And Away We Go! from President Noel Johnson

It is now January 2007. The Rotary year is half over and the calendar 2007 year is brand new. The first half of my Rotary year has been very interesting. Our membership drive was in "high gear" until recently when a couple of our treasured new members had to leave the club for business reasons. New member prospects have dwindled over the holidays. We must focus on bringing prospective members to our meetings.

This Rotary year is our 75th anniversary. Not many clubs can claim that their heritage goes back that far. Our heritage, however, is only important if our present

activity of "Service To The Community" exceeds our past accomplishments. For as long as I've been a member of this club there has been feeling that we can do more to assist people in our community. We give a lot of money each year to wonderful organizations but we can do a lot more in giving of ourselves. I am currently seeking members to be on a new committee dealing with our personal involvement in charitable activities. Let me know if you have an interest in this form of service.

These two areas need to be at the top of our list of "THINGS TO DO", starting now.
