A New Rotary Year!

from President Rick Lang

We start our new year with a grateful Thank You to Tory and his Board. Our club accomplished much last year in advancing Rotary in our Community and Internationally. We are involved in projects that help bring Clean Water and Health Care to those who have none. We continue to raise awareness in areas of Literacy and Sanitation for regions in great need. Plus . . . Polio Plus support, Rotary's ongoing Goal to eradicate Polio in the world.

In our Club, as in all clubs every member has a job, we participate in Service Above Self everyday. We are elected to serve. The spirit in which we live out our Service is dictated by The 4 Way Test. It is brought forth by the enthusiasm to work together for common goals. I am following a long line of Rotarians who set the example and helped shape our local legacy of over 78 years in Laguna.

As we move into this New Year we are also moving to a new meeting location. July 10th is our last meeting at Hotel Laguna. As the old door is shut, a new door opens. On July 17th will be entering a new door at Aliso Creek Inn. Our new hosts are looking forward to our arrival. I see our future to be bright, full of opportunities and exciting challenges to continue the awareness of Rotary in our community. I look forward to this year knowing that we will grow in many ways and spread our fellowship in new places not yet seen. Share this vision and enjoy the year with me as we extend our hand in Goodwill to All Concerned.

FOUNDATION UPDATE *From Pete & Helen Maxwell*

We are completing our second year as Foundation Co-chairmen. It has been a great privilege to have served a Club that has been so generous in their giving. Last year we placed third in the District for per capita giving. This year it has not yet been announced, but we are currently in second place. We have achieved Every Rotarian Every Year for the first time in the Club's history. You should all be very proud of that! The Rotary Foundation changed some of the rules for the transfer of points effective July 1, 2009. Many of the points of past or deceased Rotarians expired on that date if they had not been used. The District has established a new category of giving as most of the Clubs in the District are 100% Paul Harris. The new category is 200% Paul Harris which is achieved by having every member be Paul Harris +1. There are 2 Clubs in the District that have recently qualified - Orange and Irvine Spectrum. We have now become the third Club with the use of points. Congratulations!

LAGUNA BEACH ROTARY CLUB FOUNDATION PROVIDES FREE ADVANCE HEALTH CARE DIRECTIVES

As part of a basic estate plan, every person in California over the age of 18 should have an Advance Health Care Directive. An Advance Health Care Directive allows your designated agent(s) to make health care decisions for you if you are incapacitated (without having to go to court for a conservatorship). In addition to granting your agent(s) the power to execute health care forms and consent to surgery and the like, you can also express your preferences regarding life-sustaining care. As a courtesy to Rotary members, the Laguna Beach Rotary Club Foundation is providing free Advance Health Care Directives and wallet cards to members at the July 17, 2009 meeting, along with instructions and free notarization services from local estate planning attorney and Foundation board member, Leslie Daff.
