Happy New Year!

from President Jan Herkelrath

Happy New Year - a new year, a new beginning 2008. This is the time for many to reflect, assess and to plan. We could have the same thoughts in June but somehow the New Year serves as a reminder that we are given another chance to lose weight, gain weight, change jobs, change the way we conduct our lives or anything we have been thinking about and wanting to be different.

As to Rotary it is a half-year and time to announce our new Board of Directors and for the President to review the first half of the term. The Board of Directors for 2008-2009 is:

President: Tory Thomas
President Elect: Rick Lang
Secretary: Marianne Raczkowski
Treasurer: David Duttenhofer
Club Service A-Programs: Sue White
Club Service B-Membership: Brendon Cheves
International Services: Pete and Helen Maxwell
Vocational Services: Bill Parrish
Special Projects: Linda Saville
Public Relations: Rosalind Russell
Community Service: Adam Heller
Immediate Past President: Jan Herkelrath

When seen in print it all becomes a bit more real. My reflections include: Really enjoying serving as your President and standing in front of you all each week. I have to mention the happy and unhappy bucks as this seems to be a form of entertainment for all. I have a greater understanding of the service of this club and the bond we share. I have a greater understanding of all of the members even those I have know for some time (and a greater appreciation). But it isn't over yet!!

Our first meeting is January 4, 2008 and some of the coming features are: Our Valentine, Lola Gillebaard who will share her unique humor on February 15; bring a friend to enjoy this program. The Group Study Exchange will be February 18-22 followed by the District Conference. The Maxwells will host our guests from Chile along with the Whites, Bithells, Andrus' and Drews.

While our guests are here the following activities are planned: Monday-Meet The Team, Tuesday-Theater Night, Wednesday-Friendship Shelter, Thursday-Cocktails and then Friday-to the District Conference. Please join in these events.

The biggest event of the year will be the LA 2008 Rotary International Conference. Tory and Kim will keep us advised. All of the in-between time will be filled with our usual fun and frivolity. I end this with a quote e-mailed to me from a fellow Rotarian, "In these hectic times, it is easy to forget that we're all connected in some manner. Whether it's through business, personal friendship, family, Rotary service projects or just casual acquaintance, we all help make the world a bit better for everyone." Let's keep it up this year.

**Make it your
New Year's
Resolution
to invite a
prospective
member to
lunch in '08!**

Programs

- January 4** **Ed Mattson**
Rotary Ambassador for good will & noted authority on cancer research.

New Member *Meet Dr. Julian Vickers*

Being born and raised in New Zealand gave Dr. Julian Vickers an early appreciation for a healthy, active life-style and fresh, organic food. Raised on a farm, Julian learned to cultivate the land and grew most of their own food. This led him to a lifetime of study of natural healing, nutrition and healthy living.

After completing his undergraduate work in New Zealand, he studied and graduated from Palmer College of Chiropractic in Davenport, Iowa in 1978 with a Doctor of Chiropractic degree.

He practiced in Anchorage, Alaska and Boston, Massachusetts before relocating to Southern California in 1988. He bought a house in Laguna Beach in 1989 and set up his private practice. His practice is dedicated to serving patients looking for natural and alternative methods for healing. Gentle chiropractic treatment is mixed with laser therapy, exercise training, nutritional counseling and nutraceutical treatment of chronic illness.

Julian is an avid gardener and enjoys running, sailing and scuba diving. He and his wife Mary, also breed Cavalier King Charles Spaniels.

A 100% Paul Harris Club ! *SERVICE Above Self*

With the recent addition of new Paul Harris Fellowships, our club attained the 100% member mark. Recently honored for their achievements were:

PHF + 3
