Our Service Continues!

from President Rick Lang

Welcome to our new and returning members. We have started the New Year with great expectations following the theme "The Future of Rotary is in Your Hands". Thank you for your sincere response to Shelter Boxes for Haiti. Looks like our visiting member at large Chuck Schoen has some interesting programs lined up for us. Bill Parrish is heading up the SAFE RIDES assistance to the High School. It will begin Feb 26th. All those who have volunteered please contact Bill for information on training (Feb 10th, 6:30-8:30) as soon as you can.

We are updating our Directory and need for all to confirm and correct information that is currently available to you online and with Ward's list. We are also accepting confirmation on Ads placed by members. They will be the same unless notified differently. I want everybody to look forward to first Saturday in March. Yes, It's Patriots Day Parade. We have been growing in participation each year and we certainly do have fun. Thanks to all of you for making our club great! *Rick*
